Carmel College Curriculum Delivery and Offerings

Curriculum Delivery

Religious Education

The Religion Curriculum P-12 is the source for all planning, learning and teaching of Religion in Brisbane Catholic Education schools.

Years 7-10

The Australian Curriculum is the source of all curriculum planning, assessment and reporting for learning areas named in the Australian Curriculum. Multiple opportunities are provided for each student to develop and demonstrate the knowledge, understanding and skills outlined within the Australian Curriculum through developmentally appropriate and differentiated learning experiences.

Senior School

The QCAA Senior Curriculum is the source of all curriculum planning, assessment and reporting for all General and Applied subjects in Senior School. This is supported by VET Certificate courses provided by external RTO providers registered with the Australian government. Senior courses follow their respective course outlines and assessment advice. Assessment in General subjects in Units Three and Four are endorsed by QCAA to ensure quality, rigor and comparability and the results are confirmed by QCAA to ensure accuracy, comparability, and adherence to process.
