

CARMEL COLLEGE P&F

Representative

Financial Assistance Policy

Our Parents and Friends Association are proud of those students who excel at school sport and other activities such as debating or creative arts and would like to support families of students who make representative teams or groups at Regional, State or National level.

The P&F understand and appreciate the commitment and the effort as well as the costs involved in school sport and other activities and to demonstrate our appreciation, would like to provide the student with some financial assistance.

The following guidelines have been set by the P&F:

Eligibility:

To be eligible for financial assistance from the P&F, the following criteria must be met:

- The student must be currently enrolled at Carmel College for the calendar year
- The sport is recognised by Metropolitan East School Sport <https://meteastschoolsport.eq.edu.au/10-12-yearssport/sport/Pages/sport.aspx>
- The application must be accompanied by a copy of the selection letter
- The application is to be received within the school year of the event
- The P&F have the discretion to consider which events or activities may be considered for financial assistance.

Funding:

Families can apply for a P&F financial assistance grant of \$200 for a student who is selected to represent the college for a recognised school sport or other activity that the P&F deem suitable.

In the case of a sporting activity, parents are also invited to visit the QLD Government Department of National Parks, Recreation, Sport and Racing website to apply for additional support: <https://www.npsr.qld.gov.au/funding/>
